

## Publikationsverzeichnis Dr. Johannes Müller

- **Müller JA**, Rohr N, Fischer J.: Evaluation of ISO 4049: water sorption and water solubility of resin cements. Eur J Oral Sci 2017; 00: 1–10.
- Glauser S, Astasov-Frauenhoffer M, **Müller JA**, Fischer J, Waltimo T, Rohr N.: Bacterial colonization of resin composite cements: influence of material composition and surface roughness. Eur J Oral Sci 2017; 125: 294–302.
- Rohr N, **Müller JA**, Fischer J.: Influence of Ambient Temperature and Light-curing Moment on Polymerization Shrinkage and Strength of Resin Composite Cements. Oper Dent 2017
- Rohr N, Balmer M, **Müller JA**, Martin S, Fischer J.: Chewing simulation of zirconia implant supported restorations. J Prosthodont Res. 2019 doi: 10.1016
- Berli C, Thieringer F, Sharma N, **Müller JA**, Dedem P, Fischer J, Rohr N.: Comparing the mechanical properties of pressed, milled, and 3D-printed resins for occlusal devices. J Prosdent Res. 2019 doi: 10.10.16
